

Upward is an evangelistic sports ministry for first grade through sixth grade boys and girls that promotes salvation, character and self-esteem in every child. Upward provides equal opportunities for each boy and girl and affirms each participant with post game and end of year awards. Upward provides opportunities for all to become meaningfully involved in the program. There are opportunities to pray for the program, coach a team, referee a game, share a devotion and develop relationships in order to open avenues of ministry to the people of our community.

Upward provides equal opportunities for each boy and girl, post-game and end-of-year awards. There is one one-hour practice each week. All games are played on Saturday mornings.
