

At First Baptist Church, we strive to show God's love to others in many ways. One of these ways is by meeting the needs of others. This page is updated when we receive new requests from various sources that are needing help. We hope that this will provide you a place to serve

If interested in mission activities or service projects.....Check this list.....

Beside each mission, is a FBC member(s) who participates with this

service. Contact them if interested in more information.
